

# Welcome Back!

Mrs. Sam Stebbins

Title  
One  
Teacher

I am very excited about the 2017-2018 school year and I hope you are too! This year is going to be full of fun challenges, changes, and engaging academics! In an attempt to help your student feel successful and reach their goals, the Title One Teachers in this building will be working together to provide support wherever it is needed. If I work with your child at any point during the school year, providing them with supplemental support outside the classroom, I will notify you and keep you updated on the focal area and their progress.

## Contact Me:

Please feel free to contact me with any questions you may have.

**School Phone: 246-7082**

**My email:  
sstebbins@scs.sau7.org**

## Remember:

I love to hear from parents! I am always open if you have any concerns or questions regarding Title One Services and the support your child receives from me.

## Tips and Resources:

Homework time can be challenging and overwhelming for some students. By creating a quiet and special work space, students may have an easier time staying on task and completing their assignments. Also, if there are materials your child needs to be successful (dictionary, pencils, paper, etc.), make sure they are available for your student. If you need help accessing these materials, let the school know and we can help make those materials available to you.
